Dear Family and Prayer Partners

Greetings to you in the precious Name of our soon returning King of all Kings Jesus Christ.

What an awesome God we serve, who gave His own dearest Son Jesus to come and redeem us from our wicked ways. At this point in time we should surely give thanks to our God Almighty for the generosity of others as we reflect back on another year of 2016, we call it a year of God's grace to us as a family. Things we have gone through in this past year have not all been easy, but He has given His grace to us and the family to overcome, the challenges on our way.

We really thank the Lord God for our first born daughter Neema who has now been promoted to go in grade two (II) class and got an award in Afrikaans and Life Skill that was the year end of 2016 November. We are very thankful to God. Our God is more than good to us and worthy of all our praises.

Our second daughter Gabriella this month on the 14<sup>TH</sup> March she is turning 5 years in age and (attending) going to Nursery school. We are trusting God for His provision for our last
