

SEMAKUEZI FAMILY PRAISE AND PRAYER ITEMS

SPETEMBER 2020

Praise item:

We thank God for his love and care during this COVID 19 lockdown. He has been faithful in providing for us. The lockdown has been a blessing in disguise in that we can as family:

1. Hold devotions every morning taking turns to lead. We have seen our children growing in confidence in leading Bible study and intercession.
2. We have also been taking turns in teaching the kids.
3. Playing games and watching movies with them.
4. The girls have also been baking different things with their mother.
5. Physical exercises led by Morris have also been an important aspect.

Work:

- ❖ Sophia is involved with the planning team for redesigning training. She's also had an opportunity to contribute to a booklet on spirituality that's in the pipeline as the COPC project. And together with Angelina they do training work that's doable on line.
- ❖ Morris is working on HCF International, HCF South Africa and Hebron Website. Since Abby can't be here, Morris has been doing some garden work to keep Eikerus clean. Together with Sophia attending to the needs of tenants at Eikerus.

Prayer request:

1. Wisdom for the team involved with the redesigning of the HCFI training.
2. COPC booklet on Spirituality in the pipeline for everything to go on smoothly.
3. Wisdom for Morris as he is working on HCFSA and Hebron Website.
4. Wisdom in handling some matters of the tenants at Eikerus Complex
5. Good health, protection and god's continuous provision for the family.
6. Grace as we continue as teachers to our children. Also to be able to cover study material sent by their school.
7. Wisdom to balance time between all that's need to be done.
